Beautiful Craftsman style home on cul-de-sac. This open floor plan with dining room and eat in kitchen is the perfect layout for entertaining. Cathedral ceilings in the family room allow for plenty of light and a peak into the upstairs loft area! Double doors lead to the spacious master bedroom with walk in closet and newly renovated master bathroom! In ground pool with deck and patio off the family room will have you enjoying this private, fenced backyard year round! Popular subdivision, near Downtown Apex
